4 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Consider the Notice of Exemption for the Manhattan Beach Boulevard from Inglewood Avenue to Prairie Avenue project, filed with the County Clerk on October 18, 2002, by the City of Lawndale; find that the project is exempt from the California Environmental Quality Act; and find that these actions reflect the independent judgment of the County.
2. Adopt the enclosed Resolution finding that the proposed improvements of Manhattan Beach Boulevard between the aforementioned limits, within the City of Lawndale, are of general County interest and providing that County-aid shall be extended in the amount of \$700,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The City of Lawndale is proceeding with a project to rehabilitate the deteriorated roadway pavement on Manhattan Beach Boulevard between the subject limits, which are entirely within the City. The project will also include landscaping improvements. Sections 1680-1683 of the California Streets and Highways Code provide that the board of supervisors of any county may, by a resolution adopted by a four-fifths vote of its members, determine that certain types of road improvements on specified streets are of general county interest and that county-aid shall be extended therefore. County-aid may be provided in the form of labor, equipment and materials, or a direct payment to the city.

Implementation of Strategic Plan Goals

This action meets the County's Strategic Plan Goal of Service Excellence. By improving Manhattan Beach Boulevard, residents of the County who travel this arterial can benefit from the enhanced condition of the roadway, which improves their quality of life.

FISCAL IMPACT/FINANCING
